

# *Certified* **TEMPLATE DESIGNER**

**Gus de Boer**

*Let's Talk*

successfully passed the exam and is now a “Shopware Certified Template Designer”. This certificate verifies the participant has a proficient understanding of Shopware’s storefront template, including its individual functions, knowledge of the inheritance and block system, and is qualified to create and modify individual templates.

Schöppingen, 06. July 2018

**Sebastian Klöpper**

Director Research & Development

**This certificate is valid for 18 months  
from the date of issue**
